

PRE AP-CALCULUS

January 2012

Midterm Examination

Instructions: This examination consists of 25 multiple-choice questions. You may use your calculator on the first 8 questions and your note card on the entire exam. You may write on the exam, but your answers will be submitted via the link provided by Mr. O'Brien. Since you will not have a hard copy of this answer key, write your answers on this sheet as well so you can see how you answered after the exam.

If you choose to rank your answers, credit will be awarded as follows:

8 points	1 st choice is correct
4 points	2 nd choice is correct
2 points	3 rd choice is correct
1 point	4 th choice is correct

Have fun, and make the most of this opportunity to show me what you've learned this semester...
